

# CAVES MESSIAS, SANTOLA VINHO VERDE WHITE WINE

*Portugal*

*Loureiro and Pederña*

Grown in the granitic soils of the Vinho Verde region, the Santola (or as we here are calling it, "the crab wine") is a delicious, spritely and refreshing white. It doesn't get much more traditional, thirst-quenching or seasonally perfect than this wine. Delicious, low in alcohol, slightly fizzy and way too easy to drink!

 Crab of course! Salads
