

MCINTYRE CHARDONNAY 2016

Santa Lucia Highlands, CA

100% Chardonnay

Great wines speak to both sides of your brain. They are cerebral yet artistic, rational yet hedonistic. For the analytical left side, there is precision, structure and minerality. For the intuitive right side, there is texture, opulence and concentration. For both sides there are lush impressions of toast, crème brûlée, oak and grilled almonds.
